

UNIVERSITY OF MARYLAND
SCHOOL OF PHARMACY

Pharmacotherapy Round – Continuing Pharmacy Education PROGRAM ANNOUNCEMENT

Program UPN: 025-000-09-020-L04-P

Title: Hyperinsulinemic- Euglycemia for Calcium Channel Blocker Overdose

Speaker: Patrick Dougherty PharmD.

Program Date: 9/16/2009

Time: 4:00pm

Location: PLC108

CE Credit: 1 contact hour (0.1 CEU)

Fee: There is no fee for this program.

Target Audience: Faculty, Preceptors and Residents of the University of Maryland, School of Pharmacy.

Learning Objectives

At the completion of this program, participants will be able to:

1. Describe how calcium-channel blockers cause toxicity
2. Describe the clinical effects associated with calcium-channel blocker overdose.
3. Create an algorithm for the management of calcium-channel blocker overdose.
4. Describe the mechanism of action, dosing and indications for hyperinsulinemic-euglycemia as therapy for calcium-channel blocker overdose.

The University of Maryland School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program meets the ACPE criteria for one contact hour (0.1 CEU) of continuing education credit. Statements of credit will be mailed to participants approximately three weeks after the program, to those who successfully complete the program. Successful completion of a program requires your signature on the sign-in sheet, the completion of a program evaluation form, and participation in the entire program. The evaluation forms must be completed and returned at the conclusion of the program. This program is fully supported by the University of Maryland School of Pharmacy and has no other sponsor.
